

# The Works

Here you'll find a collection of the things I've been making over the years broken up into 3 groups; Web Design, Identity, and Print.

# 01 Web Design

## Outsourcing doesn't have to be stressful.

That is why we make getting high quality software and outsourcing services as easy as possible, making sure you're doing what you should be doing - running your business.

## XENTUM is a provider of high quality software and outsourcing services for companies.

XENTUM is specialised in creating and implementing applications which enables a more dynamic development basing on the newest standards, system integrations and devices of business automation.

Basing on the specialised knowledge, the company helps its customers realise their strategic business plans.

In a modern, dynamic business world, companies become more and more aware of the advantages coming from outsourcing. The main advantage is saving the domestic costs and the time spent on training or hiring professionals as well as the purchase costs of expensive computer equipment and software.

### Enterprise.

In a modern, dynamic business world, companies become more and more aware of the advantages coming from outsourcing. The main advantage is saving the domestic costs and the time spent on training or hiring professionals as well as the purchase costs of expensive computer equipment and software.

### Web.

In a modern, dynamic business world, companies become more and more aware of the advantages coming from outsourcing. The main advantage is saving the domestic costs and the time spent on training or hiring professionals as well as the purchase costs of expensive computer equipment and software.

### Mobile.

In a modern, dynamic business world, companies become more and more aware of the advantages coming from outsourcing. The main advantage is saving the domestic costs and the time spent on training or hiring professionals as well as the purchase costs of expensive computer equipment and software.

#### Xentum

Clean and simple design for an outsourcing provider. The design had to feature blog posts on the front page as well as allowing easy access to all the services. The site was constructed using XHTML/CSS/PHP and is being based on the Wordpress platform to power the blog, and also to work as a mini CMS for the other pages.

## Create an online portfolio in minutes.

TalentFlux is the best tool to create and maintain your online portfolio without any of the pain involved with building it yourself.

You can showcase your ideas through images, flash files, even video!

Ready? **Lets go!**

<p><b>Create.</b></p> <p>Easily create an online portfolio without any HTML knowledge.</p>	<p><b>Update.</b></p> <p>Upload photos, flash, videos straight to your portfolio page.</p>	<p><b>Style.</b></p> <p>Choose a theme to make your portfolio look the way you want.</p>	<p><b>Track.</b></p> <p>Track your visitors with built in Google Analytics™ support</p>
--	--	--	---

### More Info

With plenty of advanced features (such as Google Analytics support, your own sub-domain and custom CSS), it's the perfect tool if you're in need of a clean space to showcase your work.

Best of all, TalentFlux is **free!** Check [our plans and features](#) or [sign-up](#) directly for a 30 days free trial. After that period, you'll be easily able to stay with the free plan if you want.

<b>Free</b>	Up to 5 Projects	<b>Sign Up</b>
<b>\$7/m</b>	Up to 15 Projects	<b>Sign Up</b>
<b>\$12/m</b>	Unlimited Projects	<b>Sign Up</b>

### Featured Portfolios

#### Talentflux

Talentflux allows a user to sign up and create an online portfolio. I designed several screens for this project, including the front-end UI, back-end UI and a portfolio theme for subscribers to use. These were then coded in XHTML/CSS to be passed onto a programmer to implement them into Rails.

#### Robert Henry

A stylish and elegant design was needed for Robert Henry, a concert pianist from the USA. The site was constructed in Wordpress so that Robert can keep his fans up to date with blog posts. It also featured an updatable calendar, an MP3 Player, and newsletter subscription.

We're not a jack-of-all-trades.  
We have one trade.  
**We know it well.**

These days, it's possible for anybody to make money on the internet, from the large corporate business to the small, in-home company just starting out. But, it can be a difficult and frustrating ordeal if you don't know where to start. Fortunately, we do. And, we'd love to help!

We know that not all companies have the same needs, that's why we don't offer a one-size-fits-all internet marketing package. Instead, we'll find out from you what your goals are as a company, determine exactly what services would help you reach those goals, and send you a personalized proposal detailing how we can help you out. And, the best part is, that's all free! All you need to do is [contact us](#).

Name

Email

### Invelio

An internet marketing company from Canada. The site needed to be clean and bright, and showcase all the services on the front page.

The site would then be implemented into Wordpress to handle the blog and to work as a simple CMS.

#### Ploc Media

A web design and branding company. All the services needed to be showcased on the front page, but was designed not to overload the user with information. The site has been featured on many inspirational design websites, and still gets lots of recognition all over the net.

### Travelshop Directory

A UK based travel company. The site was designed so that a user can book a trip on any type of vehicle, a jet plane, luxury train or even a powerboat.

...And more

Here is just a peek at some of the other designs I've done over the years.

# 02 Identity

invelio

**Invelio**

New identity for an internet marketing company. Clean and bright, with the 'o' representing a speech bubble.

### **Chopeh**

A logo for my freelancing side, Chopeh. The logo is based around my hand writing and CMYK offset, which is usually seen as a printing mistake.

### **Travelshop Directory**

Cards and a logo design for a travel services provider.

DANZK

**DANZK**

A custom logotype for a new blog about Danish lifestyle. The logo had to reflect the simplicity and functionalism of Danish design.

**Ploc Media**

A funky and modern logo for Ploc Media, a web design and branding company.

## **Ploc Media**

The identity got extended onto some high quality business cards.

**360 Automated**

A new identity for a Dutch home-automation company, that provides a full circle of home automation products from installation to support

Robert Henry  
ROBERT HENRY

**Robert Henry**

A simple logo for Robert Henry, a US based concert pianist. The logo incorporates Robert's signature with some simple typography to give an elegant look.

**Propertywide**

A simple logo design with a custom typeface for the launch of a new property finding website.

The image shows the word "vibucks" in a white, lowercase, sans-serif font. The letters are simple and clean. The background is a smooth, vertical gradient that starts with a dark teal color at the top, transitions through a light green and yellow in the middle, and ends with a warm orange-red at the bottom. The text is centered horizontally and vertically within the upper half of the image.

vibucks

### **Vibucks**

Custom logotype for Vibucks, a new web startup company from The Netherlands. The logotype is simple, but is placed on colourful backgrounds, often using unusual colour blends.

# 03 Print

### Travelshop Directory

Magazine advertisement for Travelshop Directory, a travel company.

### **Ploc Media Advert**

Magazine advert for a local web design and branding company - Ploc Media. This advert was focused on brand and identity, and went out in Limousine & Chauffeur Magazine.

### **Ploc Media Propaganda**

A poster designed for Ploc Media. Created using Photoshop and hand drawn techniques.

### Various Christmas Marketing

Christmas wishes from various companies. Also sent out as digital e-cards.

### Drophead Gorgeous

Advert to introduce a new vehicle at Bubbly Limos. Photo was taken by an amateur photographer on the street and heavily edited by myself to look like a studio shot.

### Twenty:Four Hour Affair

CD artwork for a local rock band, Twenty:Four Hour Affair. A new identity was created for them for the release of their first E.P.

### **Twenty:Four Hour Affair**

A closer view of the artwork for Twenty:Four Hour Affair. The artwork was created from stock photography and heavily manipulated and composed in Photoshop.

### Ploc Media Leaflet Campaign

A campaign leaflet aimed at small businesses in Ploc Media's local town High Wycombe. The town is in the process of a massive re-development with lots of big branded companies coming to the area. The leaflet expressed that you didn't have to have a huge budget to get good quality design work from Ploc Media.

### Ploc Media Campaign

An magazine advert version of the campaign leaflet, not just focusing on High Wycombe.
